EXPERIENCE

City Counter, O'Reilly's Auto Parts, Springfield, MO March 2022 - Present

Operated motorized carts to pick up parts throughout the warehouse for delivery. Matched tickets with product and scanned product in for delivery. Assisted route drivers with loading and unloading. Operated cherry picker for product on top of shelves.

General Labor, Burk Erectors, Springfield, MO May 2021 - November 2021

Assisted with building, framing, and trim work on metal buildings from start to finish. Operated various number of power tools. Read blueprints to determine what came next for the building. Operated forklifts, scissor lifts, and snorkel lifts to perform tasks given by foreman. Assisted with clean up after jobsite was finished.

Lead Receiving Associate, Habitat for Humanity, Springfield, MO November 2020 - May 2021

Managed up to twelve volunteers in the store. Assigned volunteers to unload trucks for route drivers. Helped customers load furniture into vehicles. Accepted donations from the public to be sold as merchandise in the store. Priced all merchandise that came through receiving. Rode on company trucks to gather donations from the public to be sold at the store.

Temporary Worker, Penmac Staffing Agency, Springfield, MO August 2020 - November 2020

Helped companies with projects that did not need to hire full-time help. Work ranging from disassembling heavy machinery, moving furniture, and helping support people in poverty by handing out groceries.

Receiving Clerk, Bass Pro Shops, Springfield, MO August 2017 - March 2018

Unloaded trucks into the Receiving department. Moved products from Receiving onto the sales floor. Maintained a clean and organized receiving room. Worked in the store warehouse cleaning and organizing products. Delivered products from warehouse to customer. Assisted customers with loading products into their vehicles.

Stocker, Carney's Five Star, Osceola, MO June 2014 - August 2017

Moved product from the warehouse to the sales floor. Conducted visual inventory of products to determine stocking needs and notified management of supply shortages. Responsible for taking beef, chicken, and pork portions and cutting them into steaks, ribs, and roasts according to customer desires. Cleaned store front to back at the end of shift.

EDUCATION

Graduated from Osceola High School May 2017, with a GPA of 3.8.

Currently enrolled at OTC for Computer Information Science

ACCOMPLISHMENTS
